

Why Families Choose Us

Small Company, Big Care

Every family we work with gets our full attention. You'll always know your team and feel heard.

Heart-Driven Approach

We believe progress grows best in an environment of trust, encouragement, and warmth.

Family Partnership

We guide parents step by step so progress continues beyond each session.

No Waitlist

The sooner your child starts therapy, the more they have to gain. That's why we start therapy as soon as possible.

ABA Therapy Services

Our therapy plans are built by experienced Board Certified Behavior Analysts (BCBAs) and implemented by caring therapists who love what they do.

Our Services Include:

In-Home ABA Therapy

School ABA Support

Daycare ABA Therapy

Parent Support & Training

Behavior & Skill Development

Social & Daily Living Skills

Every therapy plan is built around your child, helping them feel excited and comfortable during each session.

Kids N Heart

Our Mission

At Kids N Heart ABA, our mission is to make therapy meaningful, accessible, and full of heart.

We believe that when therapy is full of fun and consistent, children thrive. Together, we celebrate progress, build confidence, and create lifelong skills that help children live happy, independent lives.

Because every child deserves care that's filled with heart.

No waitlist, no delay.
Families can begin ABA therapy right away
