

We create a space that feels right

Our clinic is safe, inviting, and comfortable—somewhere kids actually want to be.

We understand every child is unique

Each treatment plan reflects your child's strengths, needs, and goals.

We support your whole family

We know the challenges that come with raising a child with autism. We're here to help make

We celebrate progress—always

Every milestone matters. We grow together and cheer your child on at every step.

• Our Services •

In-Clinic ABA Therapy — Decatur

An inviting, structured space where children learn through routines, activities, and consistent clinical support.

In-Home & School ABA Therapy

Therapy in your child's natural environment to build real-world communication, behavior, and daily living skills.

Parent Support & Training

Practical strategies that help progress continue at home and in everyday moments.

Insurance Assistance

We handle authorizations, approvals, and ongoing questions so you have a smooth experience.

Collaborative Care

We partner with teachers, pediatricians, and other providers to support your child everywhere.

Welcome to Aim Higher ABA

At Aim Higher ABA, we believe every child deserves a supportive environment where they can thrive.

Our team of compassionate, experienced professionals uses proven ABA techniques to help children strengthen communication, behavior, and life skills.

At our Decatur clinic, progress happens in a structured, caring environment—and we're there for every step.
