

Small moments. Enormous meaning.

He tells you his socks are bothering him instead of shutting down. **That's communication.**

She walks through the school door without looking back. **That's independence.**

You make it through breakfast without a battle. **That's progress.**

Life as you know it changes.
(In the best way possible.)

That's what the right team does.

We provide you with the full scope of support

In-home therapy:

Where your child feels safest

Parent training:

Our strategies, now in your hands

School support:

Progress that doesn't stop at the door

Telehealth:

Consistent support, wherever you are

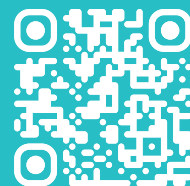

Community therapy:

Real skills in real places

Insurance management:

We handle every piece of it

Medicaid and most major insurance plans accepted. We verify, authorize, and renew on your behalf

It takes one conversation

1

Free consultation

We listen first. Everything else follows.

2

Insurance handled

Verified, authorized, renewed. All of it.

3

Assessment and plan

Built around your child's strengths and goals.

4

Therapy begins

At home, at school, or in the community.

5

Ongoing support

You're informed and involved throughout.

Your child is ready. So are we.
